Subject: City of Alexandria CSS Long Term Control Plan Update (LTCPU)

Mr. Faha:

The City of Alexandria is pleased to submit herewith one (1) copy of the Long Term Control Plan Update (LTCPU) including all reference documents previously submitted to DEQ. The enclosed LTCPU Report is being submitted in accordance with the requirements of the City's VPDES Permit.

The City would welcome the opportunity to meet with DEQ at your convenience and discuss in further detail any of the information provided in the enclosed LTCPU Report. In the meantime, if you have any questions, or require further information, please call William Skrabak at 703-746-4073.

Sincerely,

Yon Lambert, Director  
Transportation and Environmental Services
